## ABOUT ME

If there's anything I hate more than self-praise, it's falling into clichéd or overused phrases. However, truth be told, cliché or not, the truth remains the truth, which is why it's with a certain distaste that, if I had to choose one word to describe myself, it would be "passionate".

Passion and the desire to give my best cover all aspects of my life, from the simplest tasks, such as changing a light bulb or assembling a shelf, to more complex tasks such as those related to technology. I am an agile and
